CALL FOR SUBMISSIONS

9th ANNUAL STUDENT ROUNDTABLES
EMERGING ISSUES IN SOCIOLOGY
2015 ABS ANNUAL MEETING AND 2015 SWS SUMMER MEETING
THE MILLENNIUM KNICKERBOCKER HOTEL, CHICAGO, ILLINOIS

SUBMISSION DEADLINE: JULY 15, 2015

The ABS-SWS student roundtable has been held for eight years. Due to its past success, the ABS and SWS student committees will continue with this tradition, and host another co-sponsored roundtable at this year’s ABS annual meeting on August 22, 2015 at 8:00 AM at the Millennium Knickerbocker Hotel in Chicago, Illinois.

We welcome submissions from both undergraduate and graduate students at varying stages of their academic career, whose work is intersectional in focus and application. Topics for the roundtable are race, gender, class, and sexuality, and other axes of identity. Research that deals with intersectionality in its theoretical form, as well as submissions that apply or use intersectionality in everyday projects, activism, and fieldwork are welcomed.

This session will provide an opportunity for presenters to discuss their research interests, methodology, plans, and goals with other students and faculty. We aim to create a comfortable and inviting space where relationships among students and faculty with similar research interests can be established. We hope that that these relationships will extend beyond the conference as students continue to develop their work and matriculate through their academic careers. Each table will include one discussant that will assume the role of the facilitator and encourage discussion among the sessions’ presenters. If you are interested in serving as a discussant, please indicate your interest on the submission form below.

Current student members of SWS and/or ABS are eligible to present in this session. All presenters must be registered for either the ABS annual meeting or the SWS summer meeting to participate. Participants must pay the $25.00 session registration fee unless they register for (or intend to register for by the deadline) the ABS conference. This fee can either be paid here online or in person at the conference.

The online abstract submission system is now open. Abstracts should be under 250 words. Accepted presenters will be expected to send a paper of no more than 5,500 words in length by July 31st to their respective discussants. If you have any questions or concerns, please contact the session organizers at abs.sws.roundtables@gmail.com.
