

Omicron Delta Epsilon

The International Honor Society for Economics

Benefits of Omicron Delta Epsilon (ODE) Membership

- ❖ International recognition of scholastic achievement in economics.
- ❖ A publication outlet for promising undergraduate and graduate student papers in *The American Economist*, the journal of Omicron Delta Epsilon.
- ❖ Closer academic and professional relationships with the faculty at your university.
- ❖ Closer professional and social relationships with fellow ODE members at your university.
- ❖ Closer professional and social relationships with ODE members at other universities with Omicron Delta Epsilon chapters.
- ❖ ODE sponsored meetings at the annual conventions of regional, national and international associations.
- ❖ Eligibility to compete for the Frank Taussig and Irving Fisher Awards (both cash prizes and publication of essays).
- ❖ Eligibility to compete for the Outstanding Student Leader Award.
- ❖ One-year subscription to *The American Economist*.

Admission Requirements

To be eligible for membership, candidates must have the following requirements;

- ❖ An overall University GPA of 3.0 or higher.
- ❖ Completed at least 12 credit hours in Economics with a GPA of 3.0 or higher.
- ❖ Pay a minimal lifetime membership fee (\$35.00). Students will receive a scroll (suitable for framing), a membership card, and a one-year subscription (two issues) to the *American Economist*.

The primary purpose of Omicron Delta Epsilon is to recognize scholastic achievement in economics. For further information about Omicron Delta Epsilon, contact the Undergraduate Academic Advisor in the Department of Economics and/or visit link
