

Christopher Birosak Scholarship

Christopher Birosak graduated with honors from Wayne State University in 1976 with a B.A. in Economics. Mr. Birosak believes his training in economics is what enabled him to pursue a very successful 35 year career in finance and investments at J.P. Morgan Chase and Merrill Lynch. He established this scholarship to assist future Wayne State students to pursue and complete their undergraduate degree with a major in Economics.

You are eligible to apply if you are an economics major, regardless of whether you are going full or part-time, provided you have a G.P.A. of 3.2 or better. You do not have to demonstrate financial need. All you need to send us is your phone number and a resume. Your materials should be sent to Ranae Hamama, Academic Advisor, Department of Economics, rhamama@wayne.edu by Monday, March 20, 2017. The only condition is that if you win, you must come to the Levin lecture so you can be recognized. The lecture will be given on Friday, March 31, 2017 from 1:00 to 2:30.
